

Mandhir (Manny) Kalia

Managing Director at
OneEleven

Panelist Highlight

Mandhir (Manny) Kalia is the Managing Director at OneEleven, where he leads an exclusive community of high-growth, venture-backed companies focused on scaling 5x–10x within short timeframes. With a strong foundation in investments and innovation, Manny brings deep expertise in supporting founders as they transition from traction to rapid expansion, helping them navigate capital, strategy, and execution at scale.

Previously, Manny spent nearly a decade at the Ontario Centre of Innovation, where he served as Investment Lead, deploying capital into cutting-edge, academically affiliated startups and guiding their commercialization journey. His career spans global business development, investment strategy, and entrepreneurship, including leadership roles across international markets and early-stage ventures. Known for his strategic mindset and ability to build strong partnerships, Manny has consistently focused on driving innovation, supporting founders, and creating long-term value across the tech ecosystem.
